If you change your mind and would like to resume receiving communication through the mail, you can change your communication preference at any time.

IMPORTANT: If you opt-in to receive communications through email, that's how you'll receive your confirmation statement this year. Again, email is the fastest way to receive retiree health-related communications.

Important benefits information inside

Important change for paying your healthcare premiums

Starting September 1, Businessolver will handle the collection of your monthly direct bill premiums for your healthcare coverage. You will start making payments to Businessolver at that time.

What you need to know

- Any communication or payment preferences you had set up with Benefits Now will not carry over.
- Log in to myalliantenergybenefits.com to review your account, set up a recurring payment method and update your preferred contact information, including your preferred email address.
- Monthly statements will no longer be mailed. Each month we will send a notification to your preferred email address that your monthly statement is available to you online at myalliantenergybenefits.com. We'll also email reminders to your preferred email address.

Making payments online is easy!

1 Starting September 1, go to myalliantenergybenefits.com and log in with your username and password. If you don't know them, select **Register**, then provide your Social Security Number, zip code and your date of birth.

2 Click **Make a Payment** on the Online Payment widget on your home page. You can submit a one-time payment or schedule recurring payments.

Payment by mail

You may also make a payment by mailing a physical check, made payable to Alliant Energy. You must send it to this address: **Alliant Energy Corporate Services, Inc (c/o Businessolver, Inc.) ATTN: COBRA Administration PO Box 850512 Minneapolis, MN 55485-0512.**

Be sure to include your Businessolver account number on the memo line of your checks and in any correspondence. You will receive your account number beginning September 1.

When payments are due

Although monthly payments are due on the first day of each month, you will be given a grace period of 30 days after the first day of the month to make each monthly payment. Your premium payment must be received by the end of the grace period or coverage may terminate back to the end of the last fully paid period, and you will lose all rights to coverage under the plan.

Annual Enrollment is October 16 - 30, 2023

Alliant Energy will not mail paper Annual Enrollment worksheets during this year's Annual Enrollment period.

You'll be able to access everything you need electronically from the new Alliant Energy Benefits Portal.

Important Note

DO NOT send your healthcare premium payments to any Alliant Energy office address. Your payment will not be forwarded to Businessolver, and you could miss your payment deadline. If you are an Alliant Energy customer, there is the risk your payment may be used to pay your electric and/or gas bill instead.

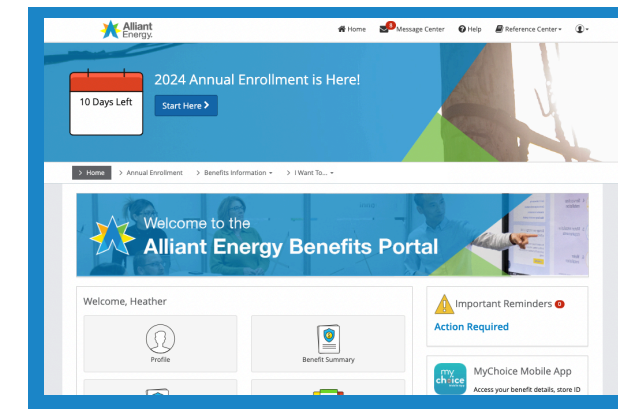

Making your elections

Once you're logged in, you'll see a **Start Here** button at the top of the home page. Click that button to begin your enrollment.

When your enrollment is complete, you'll receive a confirmation number and can print or download your Benefit Summary for your records.
